NEW CNC PRESIDENT...

We would like to introduce our new President, Dave Clark. Dave has been a coach with CNC for 3 years now, and a manager prior to that. He has been serving on the committee for the 2021 season. Dave currently coaches our U12's Lightning and has the support of his family with his wife Nicole coaching our U11's Stars, with both their daughters playing in their teams.

Dave is passionate to see CNC succeed and is determined to continue the great work Sandra Kent put into our club... they are some big shoes to fill !!!

Welcome to the latest edition of the CNC Newsletter. We are entering the home stretch of the 2021 Winter Season and we would like to say a massive thank you to all the people that make CNC a family fun filled experience. From the Coaches and Managers all the way down to the sibling who gets dragged to the netball courts to watch a game. We could not do it without you!

SEASON UPDATE...!

Here we are at Round 10, 2021 and after the last year that shall not be named, it's a real positive that we've only lost the one round to COVID, though that one hit a little too close to home! Hope everyone kept safe & well and wasn't too disrupted by the recent lockdown ...

In Round 8, all of us as part of JNA celebrated Indigenous Round, with a fantastic Welcome to Country performed by local Noongar Yamatji woman Sharon Wood-Kenney. Sharon provided an amazing address to the members & athletes present, highlighting the significance of the Joondalup area to our indigenous community.

Round 8 also saw a visit to the courts by West Coast Fever stars Emma Cosh & Alice Teague-Neeld, who took time to meet our athletes, sign posters & pose for some photos !!!

DAVE, SHARON, ALANA & U8 GEMS, INDIGENOUS ROUND

We would like to say a massive thank you to Sandra Kent, our outgoing President, for all your hard work, passion, and commitment you have given CNC.

You will still see Sandra around the courts as she continues to coach her U12 Blazers and U17 Jaguars, not to mention in action on court playing for the Opens Social Cats!

GO CNC...!!!

Good luck to all CNC teams participating in the Warrior's Cup this weekend!

We have a fantastic new website, thanks to Web Design and Hosting...!!!

Well Done !!!

It is important that we all stay healthy and strong, physically, and mentally. If you or your athlete ever needs to talk to someone, we have our own Member Protection Information Officer (MPIO). Please contact Amanda Lines: mpio@currambinenc.com.au
