Code of Conduct for Currambine Parents/Carers

As a member of Currambine, your behaviour is a direct reflection of Currambine Netball Club. Currambine Netball Club prides itself on having a positive culture of support and friendship, as well as promoting a healthy competitiveness. Our Club consists of volunteers who give up their free time, in order to provide you with a Club at which to play. Please read and acknowledge your acceptance of the following, by ticking and signing:

- It is healthy to encourage your child to be competitive, provided that this means you are expecting them to put in 100% effort, respect their team members, and enjoy the sport they have chosen to play. If your child is not interested or willing to play - do not force her/him. Parents should refrain from making any negative comments, or actions towards players, coaches, managers, umpires, and club or association officials.
- Parents should actively encourage their children to respect other players, both from their own team and the opposition. This includes discouraging bullying, and verbal abuse. At all levels of netball, show positive encouragement to all players. Currambine Netball Club strongly supports this initiative and supports all efforts to remove verbal abuse from the playing arena.
- Your child/ren are playing junior sport, and as a parent, it is your responsibility to model appropriate behaviour. Swearing, verbal abuse and loud negative comments towards umpires, Coaches (assistant, apprentice) other players or parents will not be tolerated, and any such occurrence could result in your membership being revoked, or your removal from the courts.
- Any concerns regarding umpiring, or the conduct of opposition players or parents, should be reported to CNC's MPIO. Parents are not permitted to approach Joondalup Netball Association to make complaints. This is because you do not have the authority to speak on behalf of Currambine Netball Club. Your concern will be reported through the Currambine Executive Committee, to the appropriate Joondalup Netball Association Executive Member via Joondalup Netball Association's complaint handling policy.
- Currambine Netball Club will select teams to provide each child the opportunity to participate in netball, play at a level suitable to their ability and to realise their playing potential. All team gradings and coaching appointments will be endorsed by the Committee once the selection process has been completed. The placement of your child in a particular team is done so as a result of a grading process. It is your responsibility to ensure your child attends grading.
- Coaches will rotate all players through out the season for U7-11's.
- For graded teams – U12's – Opens, the placement of your child in particular positions within the team is at the Coach's discretion. There may be up to 9 members of any one team, whose strengths and abilities, the Coach needs to take into account.
- Joondalup Netball Association Courts are alcohol, smoke and illegal drug free and any such behaviour is prohibited on the courts or surrounds.
- Please leave the Coaching of your child to the Coach. Yelling out directions courtside, can often confuse players, as this may not align with the directions given by the Coach. If you have any issues regarding this, please direct your concerns to the Currambine Committee, in writing, attention to the MPIO.
- Parents will be asked to volunteer 2 hours to the club during the season.
- Parents are asked to assist with scoring and providing fruit at half time or after games. Each parent will be required to score at least once (possibly twice) depending on the number of girls in the team. Your team Manager will distribute a roster, so that this responsibility can be shared among your team. If you are unable to score on your rostered day, it is your responsibility to swap with another parent. Do not add extra burden to the Coach with having to organise this. If your scoring requirement is not fulfilled, your child will not receive a trophy at the end of year presentation.
- Parents should ensure they are aware of the Player's Code of Conduct and ensure their child/ren adhere to their responsibilities as players.
