COVID Update

I am pleased to advise you all that we are going to be having a pretty normal season this season. There will be a cap on one spectator for player at matches, however you can now bring your own chair. Coaches and Managers, please remember to keep a register of your athletes and parents at training.

There will still be some hygiene guidelines that we need to follow such as no sharing of food and everyone will need to sign in with the QR code or registration form at the court but more information will be provided on that shortly. The ACSRA Clubrooms and Food will also likely be open again for the season.

Match Times

Our first game for NSG to U13s is on Saturday 1st May, U17s to Opens start on Monday 3rd May, times and fixtures will be released soon, so your coaches will keep you updated.

Don't forget to keep an eye on our social media pages!
